

Dave opens the door to Theresa.

Dave: Oh Hi Theresa. Come on in. My sister will be back from the copy store in a minute. She went to Kinkos to run off more flyers for the 5K you guys are running in for breast cancer. Make yourself comfortable. (She sits in Dave's place in front of his laptop) Uh, Not there. (She moves over on sofa)

Theresa: Here ok? I've been all over town tacking up these flyers. My feet are killing me. (She puts her feet on table. Dave looks disapprovingly. She removes feet from table. Dave sits and replaces headset)

Dave: Davelon is back online.

Theresa: Davelon?

Dave: The conqueror!

Theresa: Dave? Mind if I ask? What are you doing?

Dave: AFK. (speaking into headset) I'm playing Age of Conan an online multi player game set in the universe of Robert E.Howard's Conan the Barbarian.

Theresa: Oh. And I didn't know that.

Dave: Davelon is back online.

Theresa: What's AFK?

Dave: Away from Keyboard

Theresa: OIC

Dave: What does that stand for?

Theresa: Oh I see...

Dave: But what does it stand for? (She rolls her eyes) We have a few minutes. The line at Kinkos is always so long. Give it a try.

Theresa: Oh, god, no. I'm totally game adverse. I hate video games.

Dave: Come on, humor me. I leave for my drudge barrista job at Starbucks in half an hour. (makes pouty face)

Theresa: Oh, alright. What do I do?

Dave: Just click on the enchanted boots to put them on.

Theresa: I don't know. Can I see them in another color?

Dave: Just click on them. See what happens. (she clicks, smiles) Congratulations, you are now a level 3 warrior.

Theresa: Wow, I click one key, I'm a level 3 warrior. I could get used to this. Do I stay in the jungle or go towards the beach?

Dave: It doesn't matter, right now you're looking for treasure.

Theresa: Okay...

Dave: If you run into crocodiles, just kick them with your boots!

Theresa: Oh my god, I found a treasure chest, I'm rich! I'm rich!

Dave, Level 3 and she thinks she's rich! What a newbie!
