

MADISON

Um, no, I think the walk here was sufficiently awkward enough for me. I'm gonna walk.

JUSTIN

It's okay... the date thing. I mean, we never really talked about it. But if you want to do it - you should do it. I mean, we were gonna take some time to think, so...

MADISON

Yeah... hey, have fun tonight.

Justin and Madison share a look of uncertainty. Neither one sure of the conversation they've just had.

MADISON (CONT'D)

See ya.

Madison walks off as Justin gets in the car and drives off.

INT. MADISON'S BEDROOM - DAY (D3)

Madison is checking her e-mail at her desk, while Jack lies on the bed, reading the latest Cosmopolitan.

JACK

Did you know that 75% of woman would take back their boyfriend if he cheated on her?

Madison looks at Jack curiously.

MADISON

Studying for something?

Jack holds up the magazine to show Madison.

JACK

All you have are chick magazines.

MADISON

Sorry, my usual Trucks and Boobs Quarterly is running a little late right now.

JACK

All you have are chick magazines. I mean, you've got all these magazines that you never read stacked up here, would it kill you to have one for me?

MADISON

That Cosmo is for you.

Jack looks at the clock.

JACK

I need to swing by the shop for a little bit. So what's the deal? Are you coming out with us tonight or what?

MADISON

I don't know, I kind of need a little breather from the boys.

JACK

After eighteen years?

Madison shrugs as Jack tosses the magazine to the ground.

JACK (CONT'D)

Fine, but I promise you'll regret this. Tonight could actually be the greatest night of your life, and you're gonna sit here at home.

MADISON

Okay, well you be sure and tell me all about the greatest night of my life tomorrow night... at the bar-b-que.

Jack immediately sighs dramatically and looks pleadingly to Madison.

JACK

Are you serious about that? Why do we have to go? We don't even know that guy, why do I care if he's moving to Seattle?

MADISON

(mocking Jack)

Come on Jack, you never know... it could actually be the best night of your life.

JACK  
You're the worst.

Jack gets up to leave, but stops when he spots Justin's jacket on the ground. He picks it up and holds it out to Madison.

JACK (CONT'D)  
Isn't this Justin's?

Madison looks at it.

MADISON  
Is it? I don't...

JACK  
Was he over here today?

MADISON  
No. I mean, yeah obviously, cause there's his jacket. He was like hanging out or anything, he just came by to drop something off yesterday.

Jack laughs at Madison.

JACK  
Okay, no need to get all tongue tie. You're not being investigated or anything. I'll take it to him.

MADISON  
See you tomorrow.

Jack looks from the jacket to Madison.

JACK  
Stay out of trouble.

Madison watches Jack for a moment as he exits.

As soon as he's out the door, Madison lets out a breath of relief and shakes her head.
