

“PIE HEAD” (Movie) [Ms. Wang: Ms. Wang is an Asian guidance counselor, who is too nice, lenient with everyone. She wears a shirt that reads “HUGS!”, and has teddy bears and plush toys all around her office.]

Ms. Wang

Ooo...ok Miss Lachlin, here's what we will do...

Hollie

It's McLachlan

Ms. Wang

We are going to make all the students in your class write a letter of apology to you. Then the letter will go into their files, and you get a copy, and I get a copy, which means everyone will have a copy, and there is a total of THREE copies! (Ms. Wang is all smiles)

Hollie

Um...right. And then if they do it again?

Ms. Wang

Oh...if they do it AGAIN? Um...well I haven't thought of THAT possibility. (Ms. Wang is still all smiles)

Hollie

I'm starting to think I might have made a big mistake in coming here to teach. I'm not even QUALIFIED to teach gym!

Ms. Wang

Well, you started the Control Patrol! Why don't you stick it out for a few more days? If the students still aren't behaving, just send them to me, and we'll have them sign contracts to behave!...Or Else! (BEAT) You're not from here, are you dear?

Hollie

No. I'm from Pittsburgh.

Ms. Wang

Ah! I went to school in Philadelphia. Now I know why you're so nice. But why are you here and not in that BEAUTIFUL state of Pennsylvania?

Hollie

(Sighs.) Because I'm an actor and this is where I need to be.

Ms. Wang

You're an ACTOR?! Why that's great news! You know, you should talk to MS. FUNKER. She's a lesbian. AND she is our school drama teacher. SEE? YOU CAN'T LEAVE YET! You need to talk to her about a film she is casting!
