

LINDA (CONT'D)

Look at his face, the way he looks  
at her, so concerned and caring, it  
just melts your heart.

Throughout this, Rebecca has been watching Linda rather than  
the screen.

(REBECCA)

Oh, my God. You're obsessed with  
Ted.

We ANGLE so that we can see the screen behind Linda.  
Pictures of Ted are all over it.

LINDA

That's ridiculous.

(REBECCA)

Look at you. You spend more time  
thinking about Ted than you do your  
own you boyfriend.

LINDA

Well, maybe I could focus on my  
boyfriend if someone would take Ted  
off the table.

(REBECCA)

So, that's why you want me to go  
out with him?

This hits Linda, but she tries to sidestep it.

LINDA

No. I just think we'd make a great  
couple. You'd. You'd make a great  
couple. Are we going to stay here  
all day, or are we going to eat  
lunch?
