SHARON

How's it going?

ROB

Great. I'm gonna kick that kid's  
ass at the toy store next week.

SHARON

I didn't mean the game.

ROB

I'm good. I'm good. Great.  
(a beat)I really thought I was going to get  
that promotion.

SHARON

I know.

Sharon climbs into the bounce-house and joins Rob.

ROB

Maybe talking to Prescott in the  
bathroom was a mistake.

SHARON

It could've gone either way.

ROB

The extra money would've helped.

SHARON

I guess. We really only needed it  
when we thought Tyler was going to  
private school.

ROB

I'm sorry about that too. I really  
messed up that interview. I don't  
know what I was doing. Sometimes I  
just go nuts.

SHARON

It sounded like a helicopter to me.

ROB

The acoustics in there were weird.

34.

SHARON

It's not entirely your fault. The pooping incident may have played a role. Besides, I'm not even sure I want him in that school. It's full of snobs.

ROB

It is.

SHARON

Very off-putting.

ROB

We could reapply next semester.

SHARON

I already got the forms.

They share a smile over this. Sharon cuddles up to Rob.

ROB

How am I going to face our friends again? I made that stupid announcement at the party.

SHARON

It's not a big deal.

ROB

And I sent out that mass e-mail.

SHARON

There was an e-mail?

ROB

Plus, it's all over my MySpace page.

SHARON

You have a MySpace page?

(then)

It'll all blow over.

ROB

I don't know.

SHARON

It will.

ROB

Hey, about those pictures... It was stupid.

SHARON

You're right, it was.

ROB

I guess I was trying to show off or something. I'm sorry, I really am.

After a beat.

SHARON

How come there aren't any of me?

ROB

What?

SHARON

Why didn't you sneak any creepy shots of my body? I spent half that party bending over.

ROB

I don't know.

SHARON

Remember when we first got that camera? We took those pictures.

ROB

(remembering fondly)

Yeah. You know, we could take some shots in here. This thing must have a camera.

(re: PSP)

Where's the damn camera on this thing? Two hundred dollars?! C'mon!

Rob frantically pushes buttons. Sharon stops him.

SHARON

You're not going to photograph me tonight. But I'm happy you want to.

ROB

Of course I want to. You're... beautiful.

SHARON

I'm different. You know, since Ella.

ROB

No, you're not. You're still the most amazing woman I know.

More kissing. Then...

SHARON

We could do something else in here.

ROB

(nods toward camera)  
What about...?

SHARON

I don't think they can see us.

The bounce-house bounces as we...

CUT TO:

INT. LIVING ROOM (INTERVIEW)

ROB

We just talked. We hadn't done that in a while. I feel closer to her than I have in a long time. She keeps this family going, and I don't know what I'd do without her.

(then)

And when she loses the last of that baby weight she is going to be really hot.

Rob crosses his fingers.

FADE OUT.
