

Customer & Ryko ANOTHER ANGLE

We see their waiter, RYKO, a blond, tanned, muscular beach bum who has definitely stayed out in the sun too long.

RYKO

How are you doin'... Could you believe how overcast it was this morning? Bad day for sailin', waves are too rough and...

CUSTOMER

(annoyed)

You can skip the small craft warnings.

I'm in a hurry.

RYKO

No prob, bud... Here's today's dealie...

He holds up a blackboard with the day's menu.

RYKO

We got... uh, veal... ah... veal...

(to customer)

What's this word?

CUSTOMER

Parmisan.

RYKO

Yeah right. I always want to say Paramisian when I see that. We looked at them under the jigamabob in biology once. Little squirmy, creepy things that live in your intestine and...

CUSTOMER

Please... I have an appointment in a half hour...

RYKO

Wow, sounds stressful. What do you do for a living?

CUSTOMER

I'm a lawyer.

RYKO

Whoa... You got to go to school for

that or what?

CUSTOMER

(he's had enough)

Look, forget the specials. I'll just  
take three hamburgers.

RYKO

Okay, great... You got a  
pencil by any chance?

One of the customers shrugs and hands him a pen.

RYKO

(impressed)

All right, a Bic... How 'bout a piece  
of paper?

Ryko's customers look totally disgusted as Ryko's short  
attention span is interrupted by something he sees O.S.

ANOTHER ANGLE

Rick and the guys appear in the bar.
